Any Customer completing a paper Customer Order Form at a Jewelry Bar will be asked to sign the bottom of the form, verifying that all information is accurate. We guarantee that your Inscriptions order will be inscribed as ordered. If you find an error with your order, please contact your Designer.

Customer orders completed online will see a visual preview prior to submitting the order. Submitting the order verifies that all information is accurate.

### **How will my Inscriptions products be packaged?**

Most of your custom Inscriptions products will be packaged in a cello bag with an Inscriptions card behind it. The back of the card will include care instructions.

The exception is your custom inscribed Large Twist Living Locket Bases and Large Twist Solid Living Locket Base, which will be packaged in a special Inscriptions Hex Box with care instructions on the side of the box band.

### **How do I care for my Inscriptions products?**

Jewelry and liquids just don't mix. Remove before entering water, using harsh chemicals or applying beauty products. Handle Plates along the edges to prevent tarnishing. With an occasional pick-me-up, jewelry will always shine, simply use a dry polishing cloth and be gentle.

### **What are the Inscriptions products made of?**

All of our Inscriptions Plates are made right here in the U.S.A., and consist of brass (gold plates) and German silver (silver plates) to provide you a better tolerance to oxidation which can result in tarnishing.

Our Locket Bases are made of stainless steel (silver locket bases), stainless steel with gold ion plating (gold locket bases), stainless steel with copper and gold ion plating (rose gold locket bases), and stainless steel with black ion plating (black locket bases).

Our Inscriptions Plaques, Sliders, and Hexagrams are made of stainless steel.

### **What is the timeframe for my Inscriptions products to be delivered?**

If you attended a Jewelry Bar or were part of an online Jewelry Bar, your Inscriptions items will be delivered 9-14 business days after the Jewelry Bar closes and the order has been submitted by your Designer. Any Inscriptions products will ship directly to your home (rather than a Jewelry Bar Hostess). These are custom orders and with that require longer production time, so we ask you to please be patient while we create your one-of-a-kind items.
